PASSION

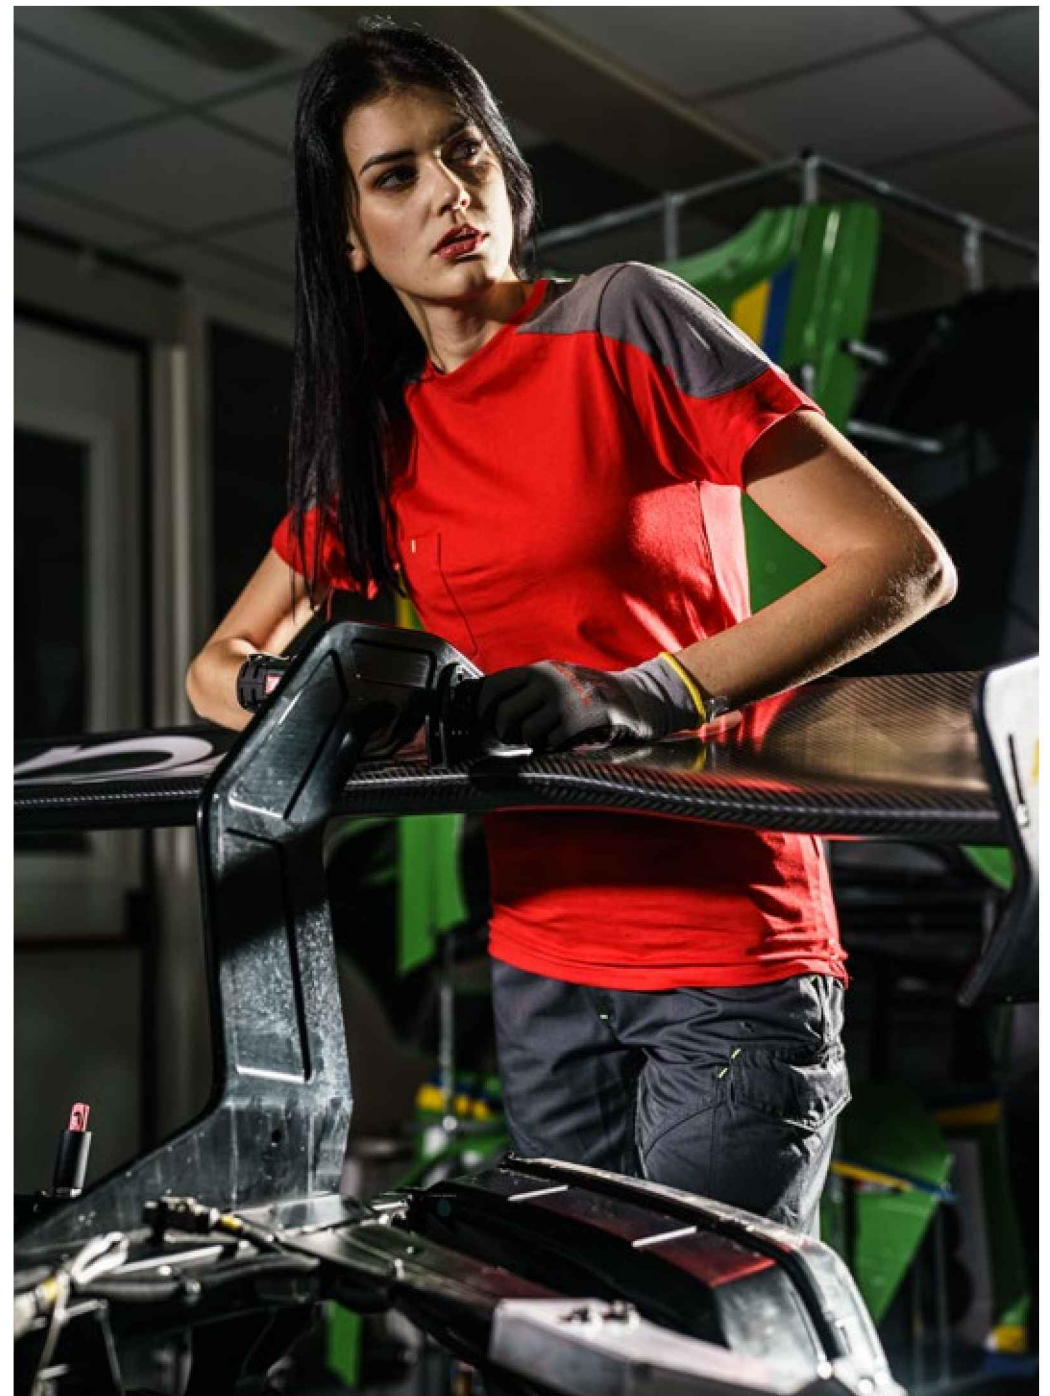

Azione, potenza, dinamicità, passione e attenzione: sono questi alcuni dei principali valori legati al **rosso**, in primo piano in questa collezione Workincolors. Una collezione pensata innanzitutto, proprio ispirandosi ai significati di questo colore, per dare **una marcia in più all'abbigliamento di chi lavora con i motori**, suggerendo anche abbinamenti stilosi con il nero e il grigio scuro. Trasmettendo **sensazioni positive** e stimolando la **voglia di fare**, il rosso è una tonalità indicata comunque per tutti coloro che svolgono **attività pratiche e manuali**.

Action, power, vitality, passion and attention: these are some of the main values linked to **red**, at the forefront of this Workincolors collection. A collection created first of all precisely inspired by the meanings of this colour, to provide **an extra spin to those who work with engines**, suggesting stylish combinations with black and dark grey too. By conveying **positive feelings** and by stimulating **the will to do**, red is in any case suitable for all those who carry out **practical and manual activities**.
